

Praise The King

There's a reason why the curse of sin is broken.
There's a reason why the darkness runs from light.
There's a reason why we stand here now forgiven
Jesus is alive

There's a reason why we are not overtaken
There's a reason why we sing on through the night
There's a reason why our hope remains eternal Jesus
is alive

Praise the King, He is risen Praise the King, He's alive
Praise the King, death's defeated
Hallelujah He's alive, Hallelujah He's alive

There's a reason why our hearts can be courageous.
There's a reason why the dead are made alive.
There's a reason why we share His resurrection
Jesus is alive (Oh He's alive)

The grave could not ignore it
When all of heaven's roaring
Hell, where is your victory
Death where is your sting
The world could not ignore it
When all the saints are roaring
Hell, where is your victory
Death where is your sting

Amen

Oh what joy comes from grace?
When a sinners soul is saved
I wonder what sound the angels make
Watching sin get washed away
On that day you must rejoice
Hearing heaven lift one voice

Singing salvation belongs to God on the throne
And to the Lamb be the praise and the glory alone
Amen! Well sing it again Amen! Well sing it again
Salvation belongs to God on the throne
And to the Lamb be the praise and the glory alone
Amen! We'll be singing amen

What a day it's gonna be
When my Savior comes for me
I wonder what mysteries I'll see
When I step into glory
For on that day I will rejoice
Hearing heaven lift one voice
Singing salvation belongs to God on the throne
And to the Lamb be the praise and the glory alone
Amen! Well sing it again Amen! Well sing it again

Salvation belongs to God on the throne
And to the Lamb be the praise and the glory alone
Amen! Well sing it again Amen! Well sing it again

Amen! Amen! Amen!

Jesus my redeemer
We will sing for You forever

You Oh Lord Are A Great God

I come to You oh Lord with a thankful heart
I sing my song of love and praise for who You are

For You oh Lord are a great God Glorious and strong
You oh Lord are a great God I worship You alone

I bring to You oh Lord a sacrifice of praise
And of Your wonderous works I'll sing for all my days

God Most High

All the earth, everyone
Join the song that's rising up
To our God, to our King Lord of all

Let the sound of our praise
Bring all honor to Your name
We lift our hearts; we lift our hands
To You now

God most high, here be glorified
In our lives, You are the light
Hope for the world, God most high

Here we stand in Your grace
You have opened up the way
At the cross Love has won
We are free!

Song of Glory

Son of God, everlasting One
You have poured your grace on me
Love falls down, filling up my life
And my heart sings out Your praise

Let the seas resound, let the oceans roar
With a song of glory for You Lord
Let it fill the sky, saturate my life
With a song of glory for You Lord

Mercy sings, flowing through my soul
And Your deep calls to my deep, oh Lord
Endless light, of a thousand dreams
You have come and rescued me

Let the sound of Your strong melody
Break the chains as it rises in me
As the heavens sing loud in the chorus of love
I will lift up my voice and cry out
From my soul I will send up a shout
Let the words of my life be the song You hear

With a song of glory for you Lord
With a song of glory for you Lord
