

Here I Am to Worship

Light of the world You stepped down into
darkness opened my eyes, let me see
Beauty that made this heart adore You
Hope of a life spent with You

Here I am to worship, here I am to bow down
Here I am to say that You're my God
You're altogether lovely, altogether worthy
Altogether wonderful to me

King of all days oh, so highly exalted
Glorious in Heaven above
Humbly You came to the earth You created
All for love's sake became poor

I'll never know how much it cost
To see my sin upon that cross

Jesus Messiah

He became sin, who knew no sin
That we might become His righteousness
He humbled himself and carried the cross
Love so amazing, love so amazing

Jesus Messiah, name above all names
Blessed redeemer, Emmanuel
The rescue for sinners, the ransom from
Heaven, Jesus Messiah, Lord of all

His body the bread, his blood the wine
Broken and poured out all for love
The whole earth trembled, and the veil was
torn. Love so amazing, love so amazing

All our hope is in You, all our hope is in You
All the glory to You, God, the light of the world

Beautiful King

I hear a sound like rushing water
Its growing louder just like thunder
This is our anthem our song of love
It is rising the sound of Alleluia

Beautiful King Wonderful Savior
You reign forever and ever
Oh Lord in spirit and truth
I live to sing to you
My Beautiful King

Clothed in Splendor, full of Glory
You gave Your life to make us holy
This is our anthem our song of Love
It is rising the Sound of Alleluia

Draw Me Close

Draw me close to you
Never let me go
I lay it all down again
To hear you say that I'm your friend
You are my desire
No one else will do
'Cause nothing else can take your place
To feel the warmth of your embrace
Help me find the way
Bring me back to you

You're all I want
You're all I've ever needed
You're all I want
Help me know you are near

I Will Never Be The Same Again

I will never be the same again
I can never return, I've closed the door
I will walk the path, I'll run the race
And I will never be the same again

Fall like fire, soak like rain
Flow like mighty waters, again and again
Sweep away the darkness, burn away the chaff
And let a flame burn to glorify Your name

There are higher heights, there are deeper
seas
Whatever you need to do, Lord do in me
The Glory of God fills my life
And I will never be the same again
